### **Sunday AM**

Super Church was greatly enjoyed by kids of all ages. Pastor Joseph told the children a story about Curly, the squirrel. The Bible tells us "Children, obey your parents in the Lord: for this is right" (Ephesians 6:1). Yet if your parents tell you to do something against God, don't do it. God has given amazing characteristics to all creatures to thrive in their environment, such as fur to keep warm, and sharp teeth to the squirrels (and huge lungs to the whales). When our parents tell us something, it is for our good. Curly's mother knew if he went to the river, he could drown or be eaten by an alligator. At first he listened and then little by little he was drawn to the river. He thought it looked better on the other side. The devil will try anything to get you to disobey your parents. He'll make things of this world look so good to you. Children, listen to your parents. They know what's best for you.

#### Sunday PM

Pastor Joseph preached "Filled" from Ephesians 1:13 & Colossians 1:9-12. *After* we have heard the Word of God preached, we believe, and *after that* we are to be filled with the Holy Ghost. We are to be sealed with that Holy Spirit of promise. God wants us to be filled, and stay filled, with the Holy Ghost. Being lukewarm won't work. After we have been filled with the Holy Ghost, we must live like it. We must walk worthy of the Lord, being fruitful in every good work and increasing in the knowledge of God. Let us pray to attain to be *filled* with the Spirit, with peace and joy, fruits of righteousness, and with assurance of understanding. God's Spirit is living water. "He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water" (John 7:38). **Be filled** with the Holy Ghost!

## **Tuesday PM**

Jr. Elder Brian Murphy Jr. preached "The Glory of God" from Exodus 13:21 and other verses. God showed the Israelites the way with a pillar of cloud by day and a pillar of fire by night. A dual mention of "cloud and fire" was brought out in various places in God's word! Just as the Hebrews had victory in battle so long as Moses' hands were up, so we will have victory as long as we maintain our praise to God! We may not know what awaits inside that cloud and fire, but we must trust and step in! Through Jesus Christ, we see God's glory manifested. We are to show forth His glory as we are a sanctified generation, brought out of darkness into marvelous light! We're set free from bondage and despair. Let us give praise to God for His glory! Elder Hoskins preached "Living in the Frontier of Now." Hebrews 11:1 begins with, "Now faith is...." A frontier is either an unexplored territory or field of knowledge or discipline. God desires that we walk in faith and live by faith; not just generic hope, but a "right now" faith, trusting in God to bring needful and wonderful things to pass for us in the here and now. God has given everyone a "measure of faith" (Romans 12:3). We are to "grow in faith" (II Thes. 1:3). Faith and love are like cousins. See Gal. 5:6 and I Thes 5:8 ("breastplate of faith and love"). We are to take up the "shield of faith" with which to quench all the fiery darts of the wicked (Eph. 6:16).

## Fun! Kids Corner Angel Message

What message did the angel give to Mary? To find the answer, decode the message. Match the symbols to the letters and fill in the blanks!

In a small Southern town there was a nativity scene that showed great skill and talent had gone into creating it. One small feature bothered me. The three wise men were wearing firemen's helmets. Totally unable to come up with a reason or explanation, I left. At a "Quick Stop" on the edge of town, I asked the lady behind the counter about the helmets. She became agitated and loudly declared, "You Yankees never do read the Bible!" I assured her that I did, but simply couldn't recall anything about firemen in the Bible. She said, "Everyone knows the wise men came from afar!"
